### Staff Appreciation Lunch

The PAC budgeted \$250 for the staff appreciation lunch, and came in under budget this year at \$249.97, providing our largest event yet! All staff, teachers and bus drivers were served on Wednesday, Dec. 9. The PAC provided a COVID-friendly catered hot lunch consisting of ham, scalloped potatoes, mixed vegetables, a buttered bun, a sugar cookie, chocolate and cranberry ginger ale. Everyone was also gifted a poinsettia. The staff expressed gratitude for the gesture and enjoyed their comfort food. Although they were not able to sit in the staff room and socialize as in previous years, they socially-distanced and sat in smaller groups around the school. Our staff do so much for our kids and this is one way we are able to say thank you for all that they do, especially this year!

---

### Poinsettia/Winter Plant Fundraiser

The PAC had record sales this year for our annual poinsettia fundraiser, despite the challenges of COVID restrictions on regular outreach strategies. We were able to raise \$764 this year!

---

### Gaming Funds

We have two years worth of gaming funds to spend this year. Staples is offering a pink shirt day deal for schools this year. With the pandemic-related challenges for all families, we felt it was fitting to buy **every PLE student** a pink shirt (including distance learners).

Leath made a motion to **approve \$1200 to go toward the purchase of pink shirts for all students.**
