COPAC Representative Community Report - Briana Rosas

- Opportunity for a MyEducation BC Parent Engagement Session. See below for details.
 - *The Ministry is inviting parents and caregivers to participate in a one time engagement session to share their experiences accessing information from their child's school. The session will take place on April 22, 2026, from 7:00 pm to 8:30 pm, and will be hosted via Zoom.*
 - *Families rely on information from schools that is clear, timely, and easy to find. This includes things like teacher communications, report cards, attendance, course selections, and school updates, to support their child's learning. The Ministry wants to better understand what is working well today, where challenges exist, and what families need from the digital tools and processes that schools use to share information.*
 - *Your insights will help the Province design better digital tools that can support districts and schools in providing clear, timely, and easy to find information to parents and guardians across B.C.*
 - *More information can be found here: [Parent Engagement Session - Designing Better Digital Tools for Families](#)*
 - *If you are interested in participating, please reach out to the Ministry team at myedbc@gov.bc.ca with your name, e-mail address, and school district. They'll confirm your participation, arrange a calendar hold, and send the Zoom link closer to the session. **Participant selection will be on a first come, first served basis.***
- Gaming Grant Applications are now open. Be sure to apply by June 30, 2026. See the updated PAC Gaming Grant guidelines
